

## About the effects of Tohoku Pacific Earthquake

OTC extends sincere sympathy and deepest condolences to the people suffering from Tohoku Pacific Earthquake, which struck northern part of Japan on March 11. We sincerely hope for the earliest recovery of the afflicted areas.

The effects of Tohoku Pacific Earthquake on OTC are as follows:

- We have confirmed that all of our employees are safe.
- No direct damage was done to our manufacturing bases, which are Amagasaki Plant and Kishiwada Plant.

\*Headquarters of Amagasaki Plant is located in Amagasaki, Hyogo

Kishiwada Plant is located in Kishiwada, Osaka
